Upside Down Bucket

26th April to 28th April 2019

Preview: Friday 26 April 2019, 6-11pm

Oceans Apart presents 'Upside Down Bucket', a collaborative exhibition curated by Fine Art students from Manchester School of Art.

Upside Down Bucket is an exhibition of paintings by six Manchester based artists. Linked together through shared concerns about lost futures and explorations into the absurd, the works display a strong sense of playfulness as well as acting as a commentary on painting itself.
